Subject: NCHFA 2015 QAP

Thank you for considering our comments to the NCHFA 2014 Qualified Allocation Plan (QAP) which modified the language in the 2014 QAP Section D – Capability of Development Team – Development Experience to allow for at least one Principal with experience developing, operating and maintaining in compliance, a Tax Credit project in NC during the previous 5 year time period in order to be eligible for an award of the 9% low income housing tax credits.

We respectfully request the language in this section of the 2014 QAP remain the same in the 2015 QAP.

Thank you for your consideration of this request.
