Dear Madam or Sir,

Wake County Division of Housing supports encouraging a link between the location of affordable housing and transit. In our funding selection process, we allocate points to proposed developments that are located along transit lines and near transit stops.

Many low-income people, including seniors, do not have cars and rely on transit for all their daily needs. This is a consideration when constructing housing.

Sincerely,

A handwritten signature in blue ink, appearing to read "Annemarie Marorano".
