## Cost Savings and Better Outcomes

Home ownership is shown to make a significant positive impact on educational achievement and increases economic stability and psycho-social wellbeing.

Homeowners and renters agree that home ownership benefits individuals and families, strengthens communities and is integral to the nation's economy.

## All-Time Results: 2,058 Home Buyers

The Community Partners Loan Pool (CPLP) provides financing that may reduce mortgage payments for qualified home buyers by up to 15 percent while also supporting local affordable housing efforts.
