Dear Ms. Hall,

As members of the Buncombe Affordable Housing Network (BAHN) we ask that your agency please consider a 1-2 project set-aside for Helene housing recovery that may not be able to meet full site score due to damaged or temporarily closed amenities but is otherwise a good housing investment site. There are 5 post offices, 3 Ingles grocery stores, and several parks in the west that remain closed due to Helene damage.

Thank you,

Buncombe Affordable Housing Network and the undersigned organizations
