Re: Comments on the First Draft of the 2026 Qualified Allocation Plan

Dear Ms. Hall,

On behalf of the Wilson Housing Authority, I would request that the 2026 QAP includes a **set aside for at least one Public Housing Low Income Housing Tax Credit award**. This funding is critical to help revitalize our aging Public Housing.

I would also ask that **the first tie breaker go to a project that has a CHAP award from HUD through the Rental Assistance Demonstration program**. The HUD RAD program is the main tool for redeveloping Public Housing and the LIHTC is needed in conjunction to help restore our aging Public Housing.

Sincerely,

A handwritten signature in blue ink that reads "Kelly Vick".
