Phone Number
3367828454

County of Residence
Mecklenburg

Mailing address
601 S Kings Dr, F-168
Charlotte, North Carolina. 27204

Message
I am writing to request a change/addition to the QAP. There is now an alternative to metal dumpsters that's more resident friendly, environmentally sensitive and more affordable in both the short and long term.
Our company has brought this alternative to Mecklenburg County. The method is called semi in-ground waste containment and the containers are manufactured by MOLOK, the world's leader in deep waste collection
