Bond Call Information:

Special Redemption

The 1998 Series 36 bonds may be redeemed in whole or in part on any date at the principal amount plus accrued interest to the date of redemption, from:

- (i) prepayments of mortgage loans financed with the proceeds of the Series 36, including the existing mortgage loans,
- (ii) excess revenues transferred from the revenue reserve fund,
- (iii) moneys withdrawn from the debt service reserve fund in connection with an excess over the debt service reserve requirement, and
- (iv) from prepayments of mortgage loans financed with proceeds from series of bonds issued other than the Series 36 bond and from certain moneys in excess of the debt service reserve requirement on deposit in the debt service reserve Fund ("Cross Call Redemption").

Prepayments on mortgage loans financed with the proceeds of the Series 36 bonds shall first be applied to the redemption or purchase of Series 36 term bonds due January 1, 2033 during the periods up to the scheduled principal amounts set forth in the series resolution.

Moneys in excess of the debt service reserve requirement, from excess revenues in the revenue reserve fund and from cross call redemption sources shall be applied to the redemption of the Series 36 bonds in any manner. Moneys to be applied to redemption from prepayments in excess of the scheduled principal amounts shall be applied pro rata. However, the Agency may redeem on other than a pro rata basis, if the Agency files a notice with the Trustee together with a cash flow certificate.

Optional Redemption

The Series 36 Bonds are each subject to redemption prior to their maturity, at the option of the Agency, either in whole or in part, on any date on or after January 1, 2025. Any such optional redemption shall be from any moneys on hand held for the credit of the Optional Redemption Account, on or before the date fixed for redemption, including, without limitation, the proceeds of any refunding Bonds issued pursuant to the Trust Agreement, upon receipt of an Officer's Certificate as provided in the Trust Agreement, in such manner as the Agency in its discretion may determine, and upon notice as provided in Article III of the Trust Agreement at a Redemption Price equal to the principal amount of the Series 36 Bonds to be redeemed, plus accrued interest to the redemption date.
