Bond Call Information:
Special Redemption

The 1998 Series 22CE bonds may be redeemed in whole or in part on any date at the principal amount plus accrued interest to the date of redemption, from:
(i) unexpended proceeds,
(ii) prepayments of mortgage loans financed with the proceeds of the Series 22CE, including the existing mortgage loans,
(iii) excess revenues transferred from the revenue reserve fund,
(iv) moneys withdrawn from the debt service reserve fund in connection with an excess over the debt service reserve requirement, and
(v) from prepayments of mortgage loans financed with proceeds from series of bonds issued other than the Series 22CE bond and from certain moneys in excess of the debt service reserve requirement on deposit in the debt service reserve Fund ("Cross Call Redemption").

Prepayments on mortgage loans financed with the proceeds of the Series 22CE bonds shall first be applied to the redemption or purchase of Series 22CE Term bonds due January 1, 2038 during the periods up to the scheduled principal amounts set forth in the series resolution.

Moneys in excess of the debt service reserve requirement, from excess revenues in the revenue reserve fund and from cross call redemption sources shall be applied to the redemption of the Series 22CE bonds in any manner. Moneys to be applied to redemption from prepayments in excess of the scheduled principal amounts shall be applied pro rata. However, the Agency may redeem on other than a pro rata basis, if the Agency files a notice with the Trustee together with a cash flow certificate.

Optional Redemption

The Series 22CE bonds are redeemable at the option of the Agency, in any manner the Agency shall determine, on or after October 1, 2017, in whole, or in part, at the principal amount thereof plus accrued interest to the date of redemption, without premium.
