RE: 2018 Draft QAP

Dear NCHFA,

We appreciate the opportunity to provide input on the 2018 QAP. Below are our comments.

We would like to request that the required number of Redevelopment Project awards be increased back to two as in the 2017 QAP. We would also like to see the number of units in a smaller town be lifted higher than 48 units.

Thank you for your time and consideration.
