Yes, however I did have a mistake in my comment. I meant to say "third tie braker", not second.

We are still accepting QAP comments. Would you like for this one to be published?

Subject: 2024 QAP Comments

Good Morning,

I understand that we are past the deadline to submit QAP comments, however we wanted to voice our concerns over the second tiebreaker. We feel that an award being decided by the earliest submitted pre application is not the best way to differentiate projects.

Thank You,

Brennan Mahoney
