Chris,

Not sure whether the Agency is still taking comments for the 2020 QAP but if so we would like to support the comment to allow Developers that have a 2017 award that will not PIS by December 31, 2019 be allowed to compete in the 4% Bond Program.

The delay in getting Permits in Charlotte/Concord has resulted in our not being finished with our 2017 transactions by the end of 2019.

Thank you for the opportunity to provide this comment.
