Good morning,

The Town of Tarboro would like to submit the following comment regarding the QAP 2020.

Currently the only breakdown in municipal sizes is Small Towns at 10,000. There is a large discrepancy in funding between towns of this size and larger municipalities with budgetary means and other resources as well as needs. I would offer at least one more step in this categorization, perhaps a break at 50,000 where they become entitlement communities.

Thank you for the consideration.
