## Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Audit Committee of the Board of Directors  
North Carolina Housing Finance Agency

We have audited the balance sheet of the North Carolina Housing Finance Agency (the "Agency"), a public agency and component unit of the State of North Carolina, as of June 30, 2011, and the related statements of revenues, expenses, and change in net assets and cash flows for the year then ended, and have issued our report thereon dated September 22, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, the Audit Committee of the Board of Directors, others within the entity, federal awarding agencies, and is not intended to be and should not be used by anyone other than these specified parties.

## **Independent Auditors' Report on Compliance with Requirements That Could Have a Direct and Material Effect on Each Major Program and on Internal Control Over Compliance in Accordance with OMB Circular A-133**

**To the Audit Committee of the Board of Directors  
North Carolina Housing Finance Agency**

### **Compliance**

We have audited the North Carolina Housing Finance Agency's (the "Agency") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Agency's major federal programs for the year ended June 30, 2011. The Agency's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the Agency's management. Our responsibility is to express an opinion on the Agency's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Agency's compliance with those requirements.

In our opinion, the Agency complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2011.

### **Internal Control Over Compliance**

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Agency's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

*A deficiency in internal control over compliance exists* when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

#### **Schedule of Expenditures of Federal Awards**

We have audited the financial statements of the Agency as of and for the year ended June 30, 2011, and have issued our report thereon dated September 22, 2011. Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of management, the Audit Committee of the Board of Directors, others within the entity, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

## Notes to the Schedule of Expenditures of Federal Awards

---

(1) The schedule of expenditures of federal awards is prepared on the accrual basis of accounting. As directed by the Office of the State Auditor of North Carolina, expenditures of funds from the State of North Carolina totaling \$56,357,676 are excluded from the 2011 schedule of expenditures of federal awards.

(2) The expenditures of federal awards for the year ended June 30, 2011 include the following administrative fees:

Section 8 New Construction and Substantial Rehabilitation	\$ 1,482
Section 8 Housing Assistance Payments Program - Special Allocations	6,203,145
Lower Income Housing Assistance Program - Section 8 Moderate Rehabilitation	1,141
Home Investment Partnership Program	2,323,213
Community Development Block Grants/Entitlement Grants	123,987
Rural Housing and Economic Development Grant	8,982
Lead-Based Paint Hazard Control in Privately-Owned Housing	10,400
Hardest Hit Program	6,171,821
National Foreclosure Mitigation Counseling Program	89,395
<hr/>	
Total	\$ 14,933,566

(3) No CFDA and/or grant number available.

## Schedule of Findings and Questioned Costs

Year Ended June 30, 2011

---

### Part II—Financial Statement Findings Section

This section identifies the significant deficiencies, material weaknesses, fraud, illegal acts, violations of provisions of contracts and grant agreements, and abuse related to the financial statements for which *Government Auditing Standards* require reporting in a Circular A-133 audit.

No financial statement findings identified as a result of our audit.

### Part III—Federal Award Findings and Questioned Costs Section

This section identifies the audit findings required to be reported by Circular A-133 section .510(a) (for example, material weaknesses, significant deficiencies and material instances of noncompliance, including questioned costs), as well as any abuse findings involving federal awards that are material to a major program. Where practical, findings should be organized by federal agency or pass-through entity.

There were no findings or questioned costs identified as a result of our audit.
